Flyer ROMY Lights | E | 05.2007

- focusable
- lightweight
- cool to the touch
- compact design
- shatter-proof body
- high light output

20 | 50 W

75 W

100 W

Panther Broadcast offers a series of small and extremely light camera lights.

All lights have a working voltage of 10,5 - 16 V (ROMY 100/12 V) and are focusable. They may be powered either directly off the camera, from an external battery, or from the mains transformer. ROMY 75 and ROMY 100 lights are dimmable. All lights are supplied with an integrated diffusion filter and either a 4-pin XLR plug or an A/B plug. A complete line of accessories allows for use in a wide variety of applications.

ROMY Lights

Tiny, lightweight, excellent value.

The ROMY Product Range at a Glance

ROMY_lights

ROMY 20|50

- A perfect introduction to the ROMY line
- Extremely lightweight design
- Excellent price-performance ratio

code no. 139871 (XLR)*
code no. 139872 (A/B)*

ROMY 75

- Internal dimmer with deep discharge protection
- Separate on | off switch
- Wide input voltage range between 10.5 and 16 V

code no. 139873 (XLR)*
code no. 139874 (A/B)*

ROMY 100

- High light output
- Mains power supply with dimmable transformer between 0 and 100 %
- Versatile and easy to use on location

code no. 155792*

* 4 leaf barndoor and daylight filters not included

ROMY_100 Set Light

The ROMY 100 light set puts a new, extremely compact location light at your disposal.

As the smallest and lightest location light kit on the market, its three 100 W lights provide the right illumination for small sets. It's a fast and inexpensive solution for lighting interviews, close-ups and pack shots. The 4 leaf barndoor and three provided gel filters are just what you need for small studio productions.

ROMY 100 Set Light | code no. 155808

The entire kit may be stored in a padded bag for convenience and easy access. Fully loaded, it weighs only 21 lb | 9.5 kg.

With 4-pin XLR

With A/B plug

ROMY technical data

Specifications

Weight:	aprox. 9.4 oz 265 g
Size:	4.3 x 3.9 x 2.4" 110 x 98 x 60 mm
Bulb:	Halogen, 20, 35 and 50 W for all ROMY lights, 75 W for ROMY 75 and 100 W only for ROMY 100
